Handball Scoreboard Template pack update - v1.0.12

2023-10-12 - Josefin Ström - Comments (0) - Template Pack Updates

We're happy to announce the release of Handball Scoreboard Template pack v1.0.9! This is a minor update, fixing some bugs found in the Results Template.

The updated template pack is available for download in Sport in the Box as well as from here.

Bug Fixes

Fix bug where custom period labels weren't working. This affected period 3 as well as the pause between period 3 and 4. The template now shows the correct periods.

New Features

Added settings for changing timeout circles as well as timerunning circles.
