## Icehockey Scoreboard Template pack update - v1.0.6

2023-09-08 - Josefin Ström - Kommentarer (0) - Template Pack Updates

The screenshot displays a comprehensive ice hockey scoreboard template. At the top left, it lists the roster for 'IC Control Media & Sport AB' (Grizzly) with player names and positions. The main header shows the match details: 'World Cup', date '22/04/2022 18:00', and teams 'Home Team' (Grizzly) and 'Other Team' (LION). A featured player, Erik Berglund (number 21), is highlighted. The central section shows the current score '0 - 20:00 - 0' for the '1st Period', with 'Penalty' information for both teams: '11 P. Berglund' for Grizzly and '44 E. Fornander' for LION. A 'Referees' section lists the match officials. A 'Other Matches' section shows a grid of recent game results. The bottom right corner features the 'Sport In The Box' logo.

We're happy to announce the release of Icehockey Scoreboard Template pack v1.0.6! This is a minor update, fixing some bugs found in the Results Template.

The updated template pack is available for download in Sport in the Box as well as [from here](#).

## Bug Fixes

- Fix bug with player names showing as undefined when showing penalties with no names set.
- Fix bug with team names not showing.
- Fix bug with timeouts not showing.
