Updates to Template Packs!

2025-05-28 - Josefin Ström - $\underline{\text{Kommentarer (0)}}$ - $\underline{\text{Template Pack Updates}}$

template packs.
Here is a summary of some of the more recent updates.
Swimming Scoreboard template pack
□ v1.0.27
(Released 2025-05-28)
Bug Fixes
$\hfill\square Fix$ bug where heats with lanes without swimmer names did not show an splits or results
New features
[Added new type of calculation of points to show during timekeeping, <i>Canadian Para Points</i> . Observe that this requires an updated version of Sport in the Box to properly work and is only compatible with Swimify Meet Manager as data handler.
