⚙️ General styling

- Set background styling. Option between using a transparent background to use template as overlay. Can also be combined with showing background image.
- Use a custom image as background, either a fullscreen image (1920x1080px) or a blurred logo. In sample images the blurred background logo is used. Which image should be used is set in "Background image", regardless if it is the fullscreen or blurred version.
- All texts colors can be customized!

□ Name presentation

Name presentation shows an individual player. The template can be used with the name presentation buttons in Sport in the Box.

□ Results

Results template shows the current game, with set and point scores, player names, logos or nationality, game clock and custom game title.

⚙ Results settings

- Set text for game title.
- Show or hide game clock
- Set styling for club/nation display. Chose between showing logo, nation, both or none. Nation and Logo are both added in Sport in the Box.
