Tennis Scoreboard - Settings overview

Josefin Ström - 2023-10-03 - Comments (0) - Tennis

Tennis Scoreboard template pack includes the following templates:

⬜ Name presentation for introducing individual players.

⬜ Results shows current scoreboard.

Template details and settings

All templates share some settings that works the same way.

⬜ General styling

- Set background styling. Option between using a transparent background to use template as overlay. Can also be combined with showing background image.

- Use a custom image as background, either a fullscreen image (1920x1080px) or a blurred logo. In sample images the blurred background logo is used. Which image should be used is set in "Background image", regardless if it is the fullscreen or blurred version.

- All texts colors can be customized!

⬜ Name presentation

Name presentation shows an individual player. The template can be used with the name presentation buttons in Sport in the Box.

⬜ Results

Results template shows the current game, with scores, player names, logos or nationality, game clock and custom game title.

⬜ Results settings

- Set text for game title.

- Show or hide game clock

- Set styling for club/nation display. Chose between showing logo, nation, both or none. Nation and Logo are both added in Sport in the Box.
