# Basketball Scoreboard Template pack update - v1.0.8

2023-09-18 - Josefin Ström - Comments (0) - Template Pack Updates

We're happy to announce the release of Basketball Scoreboard Template pack v1.0.8! This is a minor update, adding the missing feature of **showing possession** to all results templates.

The updated template pack is available for download in Sport in the Box as well as from here.
