Updates to Template Packs!

2025-05-28 - Josefin Ström - Comments (0) - Template Pack Updates

We are continously releasing new updates to our template packs.

Here is a summary of some of the more recent updates.

Swimming Scoreboard template pack

v1.0.27

(Released 2025-05-28)

Bug Fixes

Fix bug where heats with lanes without swimmer names did not show any splits or results

New features

Added new type of calculation of points to show during timekeeping, *Canadian Para Points*. Observe that this requires an updated version of Sport in the Box to properly work and is only compatible with Swimify Meet Manager as data handler.

(Released 2025-03-06)

Bug Fixes

Added missing option for selecting “Foul” in name presentation data

Swimming TV template pack

v1.0.21

(Released 2025-03-14)

Bug Fixes

TV list - fix settings for displaying round name

TV name - fix bug where swimmer names were shown too far down when

showing relay teams

… and other.
