New Features

Showing para class for swimmers.

Para class will be shown next to swimmer name in Scoreboard, TV List and TV name presentation templates. In SCB Name presentation the para class will show below club name.

Added choice to show points.

Showing points will add a column for points in Scoreboard template - showing World Para Swimming points or World Aquatics points in Victory Ceremony, Result lists and at finish in Timekeeping. In Name presentation template, the points are shown above result, next to para class if applicable.

Points are also possible to show in TV templates - Name presentation & List.
